Old Business

Under old business, we still need someone to put up the new flagpole that was donated by a club member. (S.O.). Our new club flag will be here this week.

Our food vendor will not be able to work our fun fly so we decided to order Pizza's to resale by the piece along with soft drinks from 11am to 1pm Lee has made arrangements with Marco's Pizza . Done deal!
The J.V.S. donation of 40% of the swap meet profit was tabled until the August meeting..

New Business

Don Smith reminded us to please don't throw fuel container's or aluminum cans in the fire pit. The cans that Don collects go to help the "Habitat for Humanity." With aluminum now bringing up to .85 cents a pound. Lee suggest that maybe the club might also save and collect aluminum cans, it could be a"money maker ."

Don Smith reported that he put new blades on the Cub Cadet and ordered new replacement blades for the Huffy.

Terry Hahn asked if any members would like to meet at the Dayton Air Show and have a UVFF section.

Lee Vestal reported he checked on prices for a shelter, 20x28 and it would cost about \$2000.00. Pat Jenkins agreed to our constructing one at the field. Lee suggested that each member contribute to the cost and perhaps the club could put in the rest. Further discussion was tabled to the next meeting. Greg Elko and Lee Vestal made signs for the "Fun Fly" and had a banner made as well.

Duaine Campbell made a motion to adjourn, seconded by Josh Hull.
Meeting was adjourned..
