The July 6th meeting was called to order, roll call taken, and June minutes read and approved. 23 members attended.

The Treasurer made his report. The Safety Officer reported we were not doing so well about safety. Be very careful charging batteries. There is a fire extinguisher in the green cabinet if needed. If charging in a vehicle, be especially careful. If you are aware of people being trained, try not to fly until they are finished.

Under old business, in response to recent sightings of planes flying over the road, we've asked Pioneer Electric to put flags on the phone lines west of the field. Other suggestions are practice with a partner who uses an air horn to see what it looks like when your plane is at the road. Post a sign with a lay out of the field on the green cabinet plus pass out sheets to new members with the lay out on. Have new members read the by-laws on safety.

Tony White will contact the highway department to see if there is any law about flying over the road.

We will have "Low Flying Aircraft" signs posted on each end of the property on the road. Also stay away from the tree line north of the field.

It was suggested that a member with an air horn be posted at the end of the field for the Fun Fly.

Cruse Landscape will spray from the fence to the corn field to kill clover for \$200.00.

New pins were donated by the Silverthorns and Earl Scherzinger volunteered to put the numbers on them.

Steve Silverthorn and Joe Hahn will donate for the Fun Fly raffle plus 3 Hobby Shops will also be contacted.

We need volunteers for pins, impound, flight line, and safety. We will have a Paint Ball Shoot. The Fun Fly is July 25th from 9 to 4. Your help would be appreciated. Contact Joe Hahn if you can help. Volunteers will take turns for 1 or 2 hour shifts.

Under new business Lee Vestal explained an interesting money-making idea. Contact businesses about buying advertising on 2'X4' vinyl banners which would be placed on sections of the flight line fence for \$250.00 a year. Our cost would be \$90.00 each for Piqua Sign Co. to make them. Our club is tax exempt and AMA has no objection. Lee will contact Pat Jenkins and if no objections start contacting businesses.

Steve Silverthorn made a motion to adjourn; seconded by Duaine Campbell. The meeting was adjourned.

Help with the Website

If you would like to submit photos for the Photo Gallery please email them to doyle@uvffpiqua.com. Please put "Photos for Gallery" in the subject and note which gallery you think they will fit in best. You may also include captions for each photo. If there is a photo in the gallery without a caption and you have one let me know, I have photos from over the span of 5 years and I cannot remember them all!
