The Mall Show went pretty well considering the crowd wasn't as large as past years, although we did get a couple of new prospects for memberships.

Daryl will check on roller rental for the field. The amount of gravel that we may need this year will be determined at the Field Clean Up Day on March 28 @ noon, we need everyone's participation. Ken Henkaline checked into the club using the Washington School Gym for a future Fly-In on Sunday March 8th but it has been determined that we will not be able to get the proper insurance in time.
