Spring Clean Up

A Huge "Thank You" goes out to Roy Moreaux, Daryl Grossnickle, Don Smith, and Tony White, who helped with the field cleanup plus any other member who attended. Thank you!

New Business

Jim Henderson will make arrangements to roll the field in about two weeks.

Lee Vestal read a letter from Dave Millner, President of the Mad River Flying Assoc.

The Urbana Club is thankfully not losing their field, however due to the field's deteriorating state, and the fact that it would not be possible to repair the field in time for this year's "Heart of Ohio Roto Challenge" on June 28th and 29th. Dave requests that the Upper Valley Fun Fliers sponsor this year's event. Dave ask that the field be closed to fixed wing aircraft on those two days, He also ask for some volunteers to work the radio impound tent and to help prepare the field the day before the event. In return, our club would receive ½ of the activity's profits. Dave states that he expects between 30 to 60 Pilots to attend. Dave would also acquire a poplar high end Align Heli Kit to raffle off to offset any additional club expense we might have. It was suggested that if Rob Pence could not supply the vendor food that the Urbana Club take care of the food arrangements. Daryl Grossnickle made the motion to sponsor the event at Upper Valley Fun Fliers Field, Gary Webb seconded it. Vote was taken. Motion was passed.

New club members for April 2008 are Kim Overton, and Dan Beasley, We proudly welcome our new members.

Jim Crowell made a motion to make junior club membership (12 years old and under) free. Daryl Grossnickle seconded it. Motion was passed.

Lee Vestal asked that if anyone would like to help with building three additional flight stands, to come to his shop this weekend. Tony White made a motion to adjourn. Jim Crowell seconded it. Motion passed. Meeting was adjourned.

The next meeting will be on May 5th at the UVFF field.
